

AGN. NO. _____

MOTION BY SUPERVISOR DON KNABE

August 10, 2004

Although senior citizens, between 60 and 85, and the elderly over 85 years of age are one of the most rapid growing sections of the population, a critical shortage exists for safe and affordable housing to accommodate their various needs.

To address this serious crisis, the Community and Senior Services/Area Agency on Aging Advisory Council is conducting the 2004 Affordable Housing for Seniors: A Forum for a Concerned Community, on Thursday, September 23 in the Board of Supervisors Hearing Room.

To facilitate the staging of this valuable forum,

I, THEREFORE MOVE THAT appropriate fees be waived for use of the hearing room (\$250) as well as parking fees be reduced to \$5 per vehicle at the Music Center (approximately 400 cars) for attendees to the 2004 Affordable Housing for Seniors Forum to be held September 23, 2004
